

You are invited to the
5th national primary care development conference

Innovation in an austere climate

The programme includes:

- ✚ Inspiration for innovation in the current economic climate
- ✚ Problem solving sessions
- ✚ Examples of local and national innovation (workshops)
- ✚ Opportunities to strengthen regional forums and networks

If you are:

- ✚ strategically or operationally responsible for developing primary care drug treatment services in your area, or:
- ✚ a shared care coordinator/worker, GP or other primary care practitioner, service manager, commissioner, pharmacist, DAT Officer, user of services or shared care worker - then this conference is for you – come and have your say!

Date: Friday 15 October 2010
Venue: The Assembly Rooms, Newcastle-on-Tyne
Cost: £164.50 (inc VAT) per delegate
£270.25 (inc VAT) for two delegates from one organisation.

There are a limited number of free and reduced price places available for users and students – to be considered for one apply by email to elsa.browne@nta-nhs.org.uk

Overnight accommodation available (hotels within walking distance of the venue).

Please fax or mail completed form to our conference organiser Sarah Pengelly. Email details to sarah.mpa@dial.pipex.com or post to SMMGP 2010 Conference | The Granary | 8 Star Street | Ware, Hertfordshire | SG12 7AA
Tel: 01920 468856 | Fax: 01920 462494
