

# Women Only Clinic

“ I think it would help to talk to another woman who understands my problems.

I'm worried for my unborn baby and my other children because of the drugs I take.

I'm worried about seeking help because I have young children and I don't want them to be taken into care. ”

**IF YOU FEEL LIKE THIS - DO SOMETHING ABOUT IT!**

**Please put my name into your mobile now:**

Kerry Comstive (Nurse)
